

# YEW MOUNTAIN CENTER

EXPERIENCE LEARNING, RECREATION, AND LIVING WELL IN APPALACHIA

Our lodge has 6 guest rooms with 10 beds. If all beds are full, it can house 18 people. We can bring in additional mattresses if needed. We can provide a list of additional lodging options in the area. Check in time is 11 am; check out time is 1:00 pm the following day. We have ample room for camping with access to bathrooms and showers. See pictures of our spaces at [www.yewmountain.org/facilities](http://www.yewmountain.org/facilities) and throughout the website.

## Weddings

The Yew Mountain Center is a great place to spend time with family and friends for a rustic wedding in a stunning natural setting. With wedding packages that range from \$500-\$1450, (lodging and camping included in some packages) we are an excellent value. Your family and friends will love this peaceful, remote, and beautiful location. Income we earn from weddings supports our outdoor experiential education programs and forest stewardship.

We have seating for 40 indoors. Chairs, tents, tables, linens, flatware, etc. will need to be rented for outdoor events. Our staff can prepare rehearsal dinners and meals for up to 40 guests. We can suggest excellent local catering options for larger groups. We can also recommend musicians, florists, photographers, and officiants.
