MONTHLY NEWS FROM THE BAY AREA MUSTANGS, INC.

*(Article by Rumer Mills,
Investigative Reporter)*

This month we are pleased to share the Pony Tale of BAM! member Vinny Balancia and his 2016 Roush Mustang RS3. This beautiful Roush Mustang is supercharged, Magnetic Metallic Grey, and a 6 speed manual with 670Hp. It also has adjustable suspension, adjustable exhaust,

barely fit in the Recaro seats. Vinny saw this Mustang for sale on eBay and, after the previous owner didn't get a high enough bid, Vinny stepped in and bought it.

Vinny was thrilled. The car was practically new and he had been looking for a RS3 in charcoal for over two years.

Vinny hasn't done any

traction lock, carbon fiber heat extractors, matching tool kit, polished aluminum wheels, and Recaro seats.

Vinny purchased his Mustang in 2016. It was six months old and he purchased it in Jericho NY. It had only 200 miles on it at the time. The individual Vinny had purchased it from had purchased two Roush Mustangs and had seven other cars, but he could

mods yet, but is looking forward to adding Hydrodip rockers and front splitter.

Currently, Vinny loves the amazing performance and great sound of his Mustang. When asked, he will tell you that, "The acceleration is immediate, and is more reliable than a classic 'stang."

Bay Area Mustangs is a different kind of car club. We are a club where friendships are just as important as our Mustangs and, just like when we maintain our Mustangs, a little effort goes a long way. We treat each other with old fashioned respect, and we are each accountable for our actions. Our members agree that kindness and courtesy are the hallmark of a fun and welcoming environment. *May the wind at your back not be the result of the corned beef and cabbage you had for lunch,
Happy St. Patrick's Day!
- Ida Sage, Staff Philosopher*

From the Newsroom...

by the Editor

Happy March fellow BAM! members!! This is the month of green beer, leprechauns and, dare I mention it, pinching those who forget to wear green. And, yes, I've already put out a personnel notice to remind my staff that NO pinching will be permitted on company time, which was met with a good deal of silence. Until, of course, someone had the bright idea to post a sign-up sheet for celebrations at the local pub ... which put smiles back on everyone's face. I don't dare to guess why ...

Despite my notice, the staff remains excited about the upcoming festivities. Marbles Madcap has a very large jar of green marbles sitting on his desk. I made the mistake of asking him what he had planned for all those marbles, and he told me his favorite part of the local St. Patrick's Day parade comes right after he tosses his green

marbles into the street. He said it was his sure fire way to get everyone to do an Irish jig. I'm thinking about asking Security to confiscate the marbles under the guise of being "dangerous weapons." Marbles does get himself worked up around any holiday ...

On another note, I walked into the lunch room the other day and found some of my staff reporters sitting around the lunch table discussing their plans for St. Patrick's Day. There seemed to be some disagreement about their celebration plans, until I heard Rumer Mills talking over the others, "It's OKAY to pretend we're Irish on St. Patrick's Day. We pretend we're GOOD on Christmas don't we?" That bit of logic put smiles on everyone's faces and they immediately decided to take up a collection for the green beer that was to be consumed ...

I honestly don't know how we get any work done around here.

It happens every St. Patrick's Day ... I have a few green beers, and suddenly I find myself doing the Riverdance." - Ida Sage, Staff Philosopher

We Need Your Help ...

To my fellow BAM! members, as I mentioned in last month's Presidents message, starting a new club is not easy and it takes a lot of hard work, time, dedication and commitment and I am so proud of our Board Members for accepting the responsibility.

However, life has some challenges and sometimes we need to make adjustments in our lifestyle or schedule. With this being said, it's with a heavy heart that I need to report that John and Darlene Esposito have stepped back from the BAM! Board of Directors.

John and Darlene will continue to support BAM! as club members, and attend activities when possible. John was our Treasurer and Darlene was our Raffle Director. She has been very instrumental in generating funds for BAM! via Gatherings and car show raffles. Thank you, John and Darlene, for your outstanding contribution in starting BAM! You will always be founders of Bay Area

Mustangs and we will miss you guys on the BAM! Board.

With this change, we have openings on the Board of Directors that need to be filled. If you have a skill set that can prove beneficial to us, and if you enjoy what we are doing, please consider stepping up to be a club leader. If you are interested, have the time, and would like to volunteer for one of our Board positions, please let me know.

It is very important that we establish the infrastructure needed to make our events successful. If you can't step up to accept a Board position, please consider volunteering to help at our events. Our Board members really need some helping hands, especially at car shows. At our Gatherings we will be passing around a volunteer list for our May Car Show. If you can't attend the Gatherings, but want to help, please call me so I can add you to the volunteer list. We need your help and support to continue BAM's success.

Thanks you, Frank Morales, President

Vinny has three boys, and resides with his better half, Donna Alexander. Vinny spent twenty four years with Johnson and Johnson, after which he wanted to explore a career within sales and marketing with a blue chip pharmaceutical company. Vinny has held ten different titles during his career, but now is looking forward to retiring within a few years

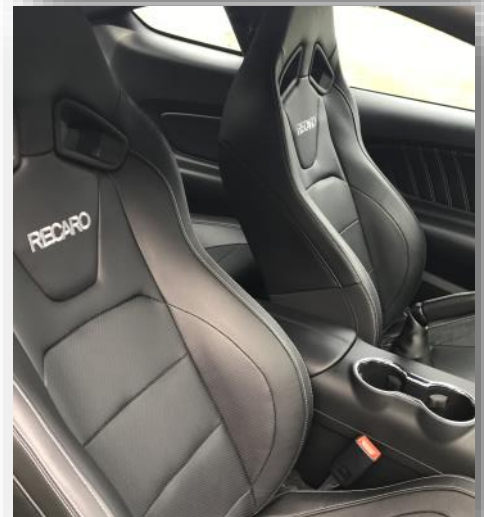

When Vinny was a kid, his mom owned a '69 Mustang Grande. He fell in love with that car and has loved Mustangs ever since. Over the years Vinny has previously owned a 1980 White Mustang hatchback, a Red 1983 Mustang GT, and a Green 1996 Mustang GT.

Vinny is a member of the Garden State Mustang club in NJ, and we are so pleased that Vinny has also recently joined BAM!

Vinny and his Mustang love taking many trips to great Florida beaches. They have also attended the Carlisle Ford Show and displayed this Mustang at the Roush National Display. When not on the go, Vinny loves to attend car shows and meet fellow Mustang enthusiasts. Vinny has also received multiple Best in Show awards at various shows. Might we suggest that Vinny come on out to our "Fast and Furriest Car Show," coming up this May, so we can say hello, and he can get to know his fellow BAM members?! Sounds like a great idea to us!!

New "Bullitt" Film Will Be Directed By Steven Spielberg *The car chases better not disappoint us.*

The Ford Mustang has always done movie car cameos ever since its introduction in the '60s. But out of all its Hollywood cameos, its car chase performance in the movie "Bullitt" was one of the most memorable. So much so, that Ford has created three Mustangs that draw inspiration from Frank Bullitt's steed.

If you're a fan of the movie, the Mustang Bullitt, or the Frank Bullitt character, we have good news for you. Steven Spielberg is reportedly directing a new "Bullitt" movie, according to a report by entertainment publication, *Deadline Hollywood*.

To clarify, *Deadline Hollywood* reports that the new Bullitt movie won't be a remake of the original 1968 film. Instead, it will be an original story centered on Frank Bullitt, the main protagonist played by Steve McQueen. Kristie Macosko Krieger will produce the film alongside Spielberg. Academy Award winner Josh Singer will be writing the script.

To recall, McQueen's character was a San Francisco Police Department detective who was on a hunt for the mob bosses that killed a witness to a case he's working on. The role was considered a turning point in McQueen's career, though the car chase scene is considered one of the most iconic car chases in the history of cinema.

Will we see another iconic car chase scene in the new Bullitt movie? More likely, but as this is not going to be a remake, that's still a mystery at this point. Besides, Spielberg isn't a stranger to car chases, considering some of his past works like the "Raiders of the Lost Ark" and "Minority Report."

Sources told *Deadline Hollywood* that there isn't a script yet as of writing and deals are still being finalized, so we aren't expecting the new Bullitt movie to come out this year.

(Maybe not, but we can dream ... - your Editor.)

From the Driver's Seat...

Hi BAM! Members and Friends,

As I'm writing this message, I can't believe all the activities that we had in the month of February and all the activities we have planned for the rest of the year. It's going to be a busy year for BAM! February started with our BAM! Gathering on Thursday, February 3rd. If you missed it, you missed out on some good food from Ford's Garage and a great Gathering with members and friends. Also, the Guest Speaker was awesome. I spoke about the Mecum Auction held in Kissimmee and showed slides of the various Mustangs going through the auction block and the outrageous prices they sold for. I also had a little help from Tom Jankowski, who also attended the auction and provided information on some of the classic cars sold. Thanks, Tom, for your input. It was a well-received presentation which provided a feel for the outrageous prices for classic Mustangs and historic cars. Attending the Mecum Auction in Kissimmee, which is close-by, is an experience for any car collector or enthusiast, and it should be on your bucket list if you haven't attended one yet. It's just an unbelievable experience to see the cars up close and people bidding thousands, or even millions, of dollars with just a nod or raising of the hand.

At the Gathering we also talked about past events, upcoming events, and we did a raffle and a 50/50 drawing. Thanks to all that participated and helped raise funds for BAM! We also played a game, as always, to have fun. This month we played a game called 'Have you Ever'. It consisted of 20 questions that participants would answer and get points for their answers. The top three members with the highest scores were winners. Some of the questions were risky, or revealing, but it was all in fun and got a lot of laughs from the members.

Next, on February 12th from 9am-11:00am we had our Parks Ford Rise & Shine Car Meet. This is a monthly event, on the second Saturday of the month, sponsored by Parks Ford. This month we had beautiful weather, a good breakfast, and a live band playing oldies music. The weather was picture perfect with no chance for rain. We had a great turnout of all makes and models of cars. What more can we ask for? Join me in thanking Parks Ford for their support and sponsorship. Remember, this event is open to all makes and models so invite your friends and lets have some fun.

On Saturday, February 19th, Robbie Polo planned our first cruise of the year – the Clean Air Cruise. Just like last year, we had a great turn-out and we all enjoyed cruising the three bridges. I'm so happy that Robbie reiterated that it was not a race and that it was just a cruise. This allowed us to stay together in a caravan and was a great visual for spectators. Well we did our best, but we had several exceptions along the cruise, but who's counting, LOL. This year the cruise ended with lunch at Bahama Breeze in Tampa. We took pictures of the group and had a wonderful lunch. Thanks, Robbie, for planning this fun event.

(Continued on Page 7)

WHY CHOOSE BAM?

For starters, because you want to have fun. You want to have fun with friends. You want to have fun with friends who also love Mustangs! What more could you ask for?

You might ask for a large choice in activities, great sponsors, games and plenty of entertainment.

You certainly will get all of this with BAM!

From the Driver's Seat...

(Continued from Page 5)

On March 5th and 6th is NMRA (National Mustang Racer Association). This event was one of my first events that I attended when we moved to Tampa, Florida from California seven years ago. Can you believe it? We've been living in Tampa, Florida for seven years. Wow! How time flies. Anyway, I always have been impressed with the amount of Mustang enthusiasts attending this event. Fans and racers alike wait all winter for this event to take place, and it's just awesome. I'm always bragging to my friends in California about the amount of Mustang's participating in the show and in the races. It's Mustang heaven for any Mustang enthusiast.

As I have mentioned in the past, our 2022 Board of Directors have been working hard in planning most of our activities for 2022. We have preplanned cruise events, a Club Picnic, a Go Karts event, a cruise to Daytona, a trip to a museum, a shooting event, two Car Shows (May and October) and a Christmas Party. This is an aggressive event list and we would love to have volunteers to help. Please let me know if you have time to assist in any of our events.

In closing, I want to thank Melinda Morales, our first lady, for all the work she is doing for BAM! She is currently doing the monthly Newsletter (not an easy task), membership, treasurer, and all the other little things like event fliers, purchasing items for the raffle, coordinating the raffle, and selling 50/50 tickets, oh yes, and all the things needed for our car shows. Thanks Melinda, for all you do for BAM! I'm sure all our members appreciate your hard work. I hope members continue to support us by attending events and our monthly Gatherings. Please remember, if you have any questions or suggestions, let a BAM! Board Member know. We welcome new ideas from our members. See you all Thursday, March 3rd at Ford's Garage for our March Gathering. BAM!

Frank Morales, President, Bay Area Mustangs (BAM!) (fmorapres@aol.com)

2024 Ford Mustang GT spy shots: Redesigned pony car keeps the V-8 alive

A prototype for the redesigned Ford Mustang has been spotted again, and this time it is for the V-8-powered Mustang GT.

Our earlier shots showed a prototype for the Mustang EcoBoost.

According to our photographer, the latest tester had the distinct sound of a V-8 engine. It was also fitted with 19-inch wheels with a pattern used on the current Mustang GT, and the brake rotors were bigger than those on the earlier tester.

The latest tester was also fitted with an aero kit, while the earlier tester was not.

The redesigned Mustang, code-named the S650 (the outgoing Mustang is the S550), was originally thought to be arriving this year as a 2023 model. It's now thought to be arriving in 2023 as a 2024 model.

It will most likely be based on the outgoing car's bespoke D2C platform, as opposed to a version of the modular CD6 platform that debuted in the 2020 Ford Explorer and Lincoln Aviator SUVs, which was rumored at one point. And while this means the outgoing Mustang's 2.3-liter turbocharged inline-4 and 5.0-liter V-8 should carry over with only minimal changes, we know there will finally be a hybrid option.

The hybrid option was originally planned to be offered around 2020 but Ford decided to delay it in order to focus on the Mustang Mach-E. We'll now see it offered on the redesigned Mustang, though perhaps not at launch.

It's possible the hybrid will be a halo option, much like the current Shelby GT500. There's talk that it will feature an electric motor powering each of the front wheels, plus a V-8 to power the rear pair. Such a combination should deliver well over 500 hp. There's also expected to be enough battery capacity for a small electric range. Stay tuned for updates as development continues.

BAM!'s Gathering

Thursday,
Feb. 3, 2022

Hello, fellow BAM! members. Marbles here. We had a great February Gathering! Frank Morales and Tom Jankowski were our Guest Speakers, and talked all about the Mecum Auction held in January. Our Gatherings are held the first Thursday of every month, at Ford's Garage in Wesley Chapel. These Gatherings are social times for BAM! members and anyone wanting to know more about BAM! We have a great dinner, games, a 50/50 drawing and a raffle. We had a great time, and a lot of laughter, as we played games, won prizes, and heard all the latest information on Mustangs. Make sure you don't miss out on our next Gathering. I'll see you there!

Irish Humor ...

A group of Americans was touring Ireland.
One of the women in the group was a real curmudgeon, constantly complaining.
The bus seats are uncomfortable. The food is terrible.
It's too hot. It's too cold. The accommodations are awful.
The group arrived at the site of the famous Blarney Stone.
"Good luck will be followin' ya all your days if you kiss the Blarney Stone," the guide said.
"Unfortunately, it's being cleaned today and so no one will be able to kiss it.
Perhaps we can come back tomorrow."
"We can't be here tomorrow," the nasty woman shouted.
"We have some other boring tour to go on.
So I guess we can't kiss the stupid stone."
"Well now," the guide said, "it is said that if you kiss someone who has kissed the stone, you'll have the same good fortune."
"And I suppose you've kissed the stone," the woman scoffed.
"No, ma'am," the frustrated guide said, "but I've sat on it."

BAM! Clean Air Cruise

Saturday,
Feb. 19, 2022

This last month we had a wonderful day when we got together for our "Clean Air Cruise." We met across the street from Ford's Garage in Wesley Chapel, and then headed out for a nice cool cruise across the bridges, until we ended up at Bahama Breeze on the Bay, where we ended up our event with a nice lunch shared with friends and fellow BAM! members.

Ford's Garage of Wesley Chapel Welcomes You!

Ford's Garage is your neighborhood burger and beer joint, where everyone is welcome, especially BAM! members! Ford's Garage will give you the vibe of being in a 1920's service station to include vintage Ford vehicles, gas pumps, and fixtures. We are a gourmet burger bar serving up the finest varieties of Black Angus Beef, Turkey, Chicken, and Vegetarian products coupled with all-natural aged cheeses and gourmet toppings. We also specialize in popular American comfort food entrees. Lighter fare is also available as we also serve fresh salads, grilled chicken, and fresh fish. Our Burgers of Fame give honor and recognition to many of our local celebrities, keeping our connection to the communities we so much appreciate. Discounts on dinner provided to BAM! members at our monthly Gatherings!
