

2024 ANNUAL REPORT

3,091 Bikes Gifted

Mission: To increase the number of people that have access to bikes for health, transportation, or recreation.

Vision: Everyone in Northwest Arkansas will one day have access to a working bicycle

Pedal Partner Testimonial:

“Pedal It Forward donated dozens of bikes to our adult riders and it was amazing to watch them take off! Many do not have cars or do not live near a bus stop. The bikes give them the freedom to go out to enjoy Fayetteville or bike to work in less time that walking.

Our low-income residents have benefited greatly from Pedal It Forward!”

Mary Finch, Fayetteville Housing Authority

2024 was a BIG year for Pedal It Forward:
