Colorado VITA

Free income tax preparation
for those who qualify.

What is VITA?

Get free in-person help and support from an IRS-certified tax preparer and file your taxes at a Colorado Volunteer Income Tax Assistance (VITA), Colorado Tax Counseling for the Elderly (TCE), or AARP Tax Assistance site. Free tax preparation is available at these sites for tax returns with incomes up to \$60,000. You can make an appointment that fits your schedule or visit a walk-in site.

Become a Volunteer

There are many ways you can help your community as a VITA/TCE volunteer. Complete a free, self-paced, and accessible training to become an IRS-certified tax preparer. If you aren't comfortable with tax preparation, you can make a big difference by welcoming community members as a greeter, interpreter, or site coordinator.

VITA Site Locations

All sites are staffed with trained and certified tax preparation volunteers. Each of these sites can help taxpayers with low- to moderate-income who qualify for this service.
