Thanks to the Morgan State Volleyball team, we were able to host our FIRST Volleyball Skills Clinic on campus at the University! As the year progresses, we look forward to hosting more clinics with our collegiate athletic team partners.

Mar Recap

In honor of Women's History Month, we helped the Baltimore Leadership School for Young Women with their Cool Women, Hot Jobs networking event. We also participated in a career day at Lillie Mae Charter School. Leader Breeders was also able to vend at the community resource fair at Hamilton Elementary Middle School. We are now strategically planning for our summer events and programming. We will be in need of trust worthy counselors interested in helping us to make a positive impact on our youth. If you or anyone you may know is interested, look out for our job postings going live soon.

Inside LB & The Community

Leader Breeders is dedicated to fostering the holistic development of our youth and offering valuable resources to our cherished communities. We are teaming up with Pick Up USA Towson to sponsor two youth basketball players with summer memberships to the facility.

We are also doing a clothing and shoe giveaway at Rita Church Community Center Friday April 19th for any individuals in need of items. .

We believe in paying it forward. If you get the opportunity to, please support other local non-profits and community schools.

We'd like to publicly thank WJZ CBS, Torrey Smith, Aspen Institute, and Weave Social Fabric for nominating Leader Breeders and CEO Corin 'Tiny' Adams as this month's 'Community MVP'. Leader Breeders was featured in a 3 minute segment this past Friday on the local network.

Leader Breeders hopes you're having a great start to the Spring and we wish you all the best in 2024!
