**LEADER  
BREEDERS**

Monday, March 4 2024

At Belair Edison we hosted a Love & Basketball event which featured basketball drills focusing on physical activity. At Hamilton we hosted a painting event for selected 8th graders. As the year progresses, we look forward to hosting more programs and events with our partner schools.

## Feb Recap

In honor of Black History Month, we took our participants to the Black In Wax Museum. It was an enlightening and engaging experience. Leader Breeders also launched our Reading Literacy program at Gardenville Elementary in partnership with Reading Partners on Feb 6. We are now providing 1:1 tutoring for 10 students in 1st-4th grade that are behind academically in their current grade level. February has helped us begin to build upon two new community partnerships in Hamilton Elementary Middle School & Belair Edison Elementary School. We were able to host events at both schools for their students, faculty, and parents.

01/02

## Inside LB & The Community

Leader Breeders is dedicated to fostering the holistic development of our youth and offering valuable resources to our cherished communities. Over the past month, we've made a positive impact on our community and beyond by making a few donations of our own. We have sent 25 pairs of sneakers and basketball equipment to Tanzania, donated volleyballs to Franklin Square Elementary Middle School, Sponsored tickets to Morgan State and Loyola University Of Maryland Sporting Events, donated clothes and shoes to Project PLASE, and volunteered at the CIAA Youth Sports Clinic.

We believe in paying it forward. If you get the opportunity to, please support other local non-profits and community schools.

We'd like to publicly thank Belair Edison Elementary School, Black In Wax Museum, BGE, Sam Gibbs, Care First, Jimmy Little, Tionca Smith, CIAA Youth Sports Clinic, DJ Flow, Terre Wright, GO Skills, Towson Athletics Dept, Towson WBB, She Heals, Stanley Pearson, and

Leader Breeders hopes you 're having a great start to your new year and we wish you all the best in 2024!
