BREEDERS**

Wednesday, May 29 2024

Thanks to our amazing mentorship circle, we were able to pilot our FIRST official mentorship program. The program consisted mostly of local collegiate student-athletes and junior high school students. We look forward to evaluating what went well and what we can improve upon moving forward for our next cohort in the Fall!

May Recap

May has been a pretty busy month for Leader Breeders, as most of our programs are coming to an end. Our mentorship program and after school programs are sadly wrapping up. In addition to programming, this is a heavy grant writing and planning time for us. We have been fortunate enough to secure a few new grants and community partnerships. Our main goal right now is to secure funding that'll allow us to hire more staff so that we can expand and make a larger impact on our community. We partnered with PICK UP USA to offer two young basketball players free memberships for the summer. We also partnered with Rita Church Community Center to host a series of clothing and shoe giveaways for the community.

Inside LB & The Community

Leader Breeders is dedicated to fostering the holistic development of our youth and offering valuable resources to our cherished communities. We are teaming up with The Sanctuary Collective, The Ryan Institute, and other community partners to bring back our Baltimore STREAM Summer Basketball Camp. This year's camp will feature two three-week sessions for rising 1st – 6th graders. We are actively seeking sponsorships for some of our campers and families. If you are interested in sponsoring a camper, please don't hesitate to reach out.

We are also doing a free lunch giveaway in partnership with Breadcoins and Vikkis Fells Point Deli. If you work near the area, let us know and we will gladly give you a voucher!

We believe in paying it forward. If you get the opportunity to, please support other local non-profits and community schools.

We'd like to publicly thank Breadcoins, Abell Foundation, T Rowe Price, PepsiCo Foundation, The Sanctuary Collective, The Ryan Institute, Baltimore Leadership School For Young Women, Gardenville Elementary, and Pick Up USA for their support.

Leader Breeders hopes you're having a great start to the Summer and we wish you all the best in 2024!
