Dear Merchant,

Congratulations! You are now PCI compliant as of 02/27/2024. We recommend you keep a copy of your PCI documents filed for your company records. You can do this by logging on to the system www.spheretransact.com and select the Current Reports section on the summary page. This will allow you to print/save your documents.

As a reminder, this is a yearly requirement; you will receive communication next year in advance of your date to reassess. If your business changes the way it handles, processes, or stores cardholder data, you must notify Sphere Commerce, LLC.. Keeping your customer data secure is required by the PCI DSS. This is the reason why we encourage you to protect your business by maintaining your PCI compliance.

Please feel free to call us at 1-877-284-3015 if you have further questions. Thank you for your continued assistance in contributing to a more secured payment card acceptance environment for all industry members.

Regards,
