Alysa Jhane, 12 years old

Alysa Jhane Gemina was born on the 14th of June, 2010. She loves to dance. Her favorite subject is Filipino, while she is doing her best to improve in Mathematics. At home, she helps out with such household chores as washing the dishes and looking after her younger siblings. She lives in Sucat, a poor community situated nearby Laguna de Bay in Muntinlupa City.

- Grade 5 Level Student
- She wants to become a teacher someday
- 12 years investment up to College Graduation

Alysa is now enrolled in grade 5 but at risk of drop-out without a sponsor, due to her family's poverty. Her dream is to become a teacher someday because she wants to help children learn how to read. Alysa is the eldest child among three siblings. Her father works as a fisherman while her mother is a full-time housewife.

Sucat community where Alysa resides

IT Tender recommends Alysa, who attended our Feeding Program, to be part of the Sponsorship Program. She is a good candidate for sponsorship due to her family's financial situation. It is important to support Alysa because this will greatly help to alleviate her family's economic situation.
