Jenny, 14 years old

- Grade 7 level student
- She wants to become a policewoman someday
- 10 years investment up to College

Jenny Rodolfo was born on November 27, 2008. She is 14 years old. She loves to dance. Her favorite subject is Filipino because it is the easiest for her to understand, while she shyly admits that she is having difficulty in mathematics. At home, Jenny helps her family by cleaning their house. She lives in Sitio Aplaya, a poor community in Sucat where many of the homes are built on bamboo stilts right over the water of Laguna Bay in Muntinlupa City.

Jenny dreams to be a policewoman so that she can help the victims of bullies. Jenny wants to finish her studies so that she can help her family someday .

Tender is recommending Jenny, who graduated from our Food-For-Life Supplementary Feeding Project, to be a part of the Sponsorship program. She is a good candidate for child sponsorship due to her family's difficult financial situation. Furthermore, it is important to support Jenny because this will help her discover and develop her potential. Thank you for your compassionate support!
