Jhon Mike, 10 years old

Jhon Mike Godinez was born on the 15th day of August, 2012. He loves to draw and to sing. His favorite subject is Mathematics, as he enjoys solving mathematical problems. Jhon Mike shyly admits that he is having difficulty learning English. At home, he helps out with household chores like cleaning the house. He lives in Sucat, a poor community situated nearby Laguna de Bay in Muntinlupa City.

Jhon Mike is now enrolled in grade 4 but at risk of drop-out without a sponsor, due to his family's poverty. His dream is to become a teacher, because he wants to help other children learn how to read. Jhon Mike is the youngest child among two siblings. His father works as a fisherman while his mother is a full-time housewife.

IT Tender is recommending Jhon Mike, who attended our Feeding Program, to be a part of the Sponsorship Program. He is a good candidate for sponsorship due to his family's financial situation. It is important to support Jhon Mike because this will help to alleviate his family's economic situation.
