TO WHOM IT MAY CONCERN:

Lincoln United Community Coalition is a 501c3 non-profit organization that is devoted to making a difference in the community. We will be an organization that establishes programs for scholarships, mental health assistance, tutoring/mentoring youth, providing sports events, serving children, single parents, and families, enhancing financial literacy, and serving the elderly of all ages and races in a faith-based environment. This will provide a “holistic view” that supports their physical, emotional, social and spiritual well-being. We provide the highest quality programs that benefit all residents in our city and surrounding areas.

We ask that you consider supporting our cause. This year our campaign goal is **\$200,000**. Funds from the campaign will be used to expand and enhance our existing programs.
