

Did you know lung cancer is the #1 cancer killer and 27% of all cancer related deaths are a result of lung cancer?

The Dime A Day Burpee Challenge

Breathe California is excited to promote lung health through our Dime A Day Burpee Challenge.

The Burpee Challenge

Breathe California Burpee Challenge

Join our Executive Director, Ilyasha Peete, to help promote lung health by completing 27 Burpees in one day!

- Lung cancer accounts for over 27% of all cancer related deaths putting it as the number one killer cancer.
- Challenge your friends, record your accomplishment, and share your accomplishment on your social media accounts!
- Don't know how to do a Burpee? Check out Ilyasha's video above.
- Not up for the physical challenge? Please donate through our Dime A Day program below! A one time donation of \$36 is a year of Dime A Day donations.
- We ask that each participant challenges at least three friends and donates to our Dime A Day program or, better yet, commit to a year's worth of Dime A Day at \$36.

Dime A Day Donation Where does the money go?

Donating a dime a day equals \$3 per month which adds up to \$36 a year. That's three CPAP masks for those

who suffer from Obstructive Sleep Apnea, bringing them one step closer to stability and safer sleep.

Your impact:

\$5 = one set of CPAP machine supplies

\$10 = one nebulizer kit for COPD

\$25 = one day of Asthma Camp

\$65 = one CPAP machine

\$70 = one Quit Smoking class

\$120 = an entire week of Asthma Camp
