

Y4CE

Youth for a Cool Earth Program

JOIN THE
FIGHT
AGAINST
GLOBAL
WARMING!

What is Y4CE?

Y4CE is a 10-week mentor training opportunity where students meet and learn about greenhouse gas emissions.

Who can sign up?

The program is open to elementary, middle, and high school students.

What will I learn?

Participants will learn about air pollution & environmental changes, health effects of air pollution, toxic indoor environments, & alternate fuels & renewable energy.

YOU can make a difference!

Sign up now!!
