

## Campbell Union High School District EDUCATION FOUNDATION

THRIVE · INSPIRE · PREPARE

Expanding the resources and opportunities for the Campbell Union High School District community so that all students are thriving, inspired, and prepared to embrace their futures.

### Thank You to our Individual Donors

The CUHSD Education Foundation extends its gratitude to our many anonymous donors and the following individuals and families for their generous support this school year.

Your support benefits students across the whole district!

Aine O'Donovan	Ikuko Dellinger	Mark Holloman-Kincaid
Allison Strathmeier	Ivy Chesser	Matt Hayes

### Thank You to our Volunteers

As an all-volunteer non-profit organization, we greatly appreciate the tremendous support that we receive from our community. We rely on the enthusiasm and dedication of our team of volunteers to do the important work that is needed for the Education Foundation to function. Some of this is highly visible: you may have talked to us at a College Fair, Career Expo, or a Back To School Night; perhaps you shared one of our posts on social media; right now, you're reading our newsletter! Perhaps less obvious, but equally important is the behind-the-scenes work: the brainstorming and lively discussions at our various meetings; the careful reviewing of grant applications; the planning, preparation, and paperwork that keeps our organization running.

Whether you're new to our organization, have volunteered with us for a while, or have helped out on an *ad hoc* basis, thank you for your time, talent and energy!

If you're interested in making an impact at your school, please feel free to contact us at [info@cuhsdef.org](mailto:info@cuhsdef.org) or let us know how you'd like to volunteer by filling out our [volunteer interest form](#).

### Thank You to our Student Advisory Board

The Education Foundation's mission is for all the students in our district to be thriving, inspired, and prepared to embrace their futures - and we want to know what's important to our students! Our [Student Advisory Board](#) (SAB) serves this goal, and is a vital part of the Education Foundation, giving students across our district a voice. With representatives from each high school, students are given opportunities to make connections across the district, take on leadership roles, and get involved in the work of the Education Foundation. Our enthusiastic and dedicated volunteers act as ambassadors for the EF: they play a crucial role in helping spread the word about the Foundation's work, and help at various events throughout the year. In addition, we encourage our SAB members to take an active role in helping us determine our funding priorities - whether it's by helping to judge the Student Empathy Grants, or letting us know what issues are important on each campus.

We'd like to take this opportunity to thank all the students who have served on the SAB so far.

Some of our wonderful 2022 - 2023 SAB members

Photo credit: James Kim

Current CUHSD students who are interested in joining the SAB for the 2023-2024 school year - keep an eye out for application information that will be coming out in early August!

## Join the Education Foundation Team!

We are looking to expand the Education Foundation's [team of adult volunteers](#). We have many types of volunteering opportunities to suit your interests and availability, and we strive to make volunteering fun and rewarding! For more information on how you can make an impact at your school, please feel free to contact us at [info@cuhstef.org](mailto:info@cuhstef.org) or let us know how you'd like to volunteer by filling out our [volunteer interest form](#). Below are the specific volunteering opportunities we currently have available.

**Secretary (Executive Board Member)** Get to know the Education Foundation (EF) from the ground up by volunteering as the Secretary. In partnership with the Education Foundation's President, manage the administration of the Education Foundation. Attend monthly board meetings and a half-day annual retreat. If you have the time, also participate on one of the EF's Committees (Fundraising, Communications, Donor Appreciation, or Student Advisory Board)  
**Time Commitment: 0.5 to 3 hours per week**

**School Liaison (Board Member at Large)** We are looking for additional board members from all of our school sites, and we have an immediate need for adults that have a student at Branham or Leigh. Help spread the word about the Education Foundation at your student's high school. Along with other EF members, help host a table at Back to School Night, or share information about the EF at freshmen orientation. Participate on one of the EF's Committees (Fundraising, Communications, Donor Appreciation or Student Advisory Board). Attend monthly board meetings and a half-day annual retreat.  
**Time Commitment: 0.5 to 2 hours per week**

**CRM Consultant (Project-Specific Volunteer)** Do you have experience using, developing or recommending a Customer Relationship Management (CRM) system? The EF is looking to take our customer engagement to the next level. We need consultative support in determining which CRM option will meet our immediate and future needs.  
**Time Commitment: short-term, one-time project; approximately 5-10 hours total**

**Website Redesign (Project-Specific Volunteer)** Do you have experience designing, creating or re-creating websites? We're looking to update our current website with a new font and possibly a new look. We'd love to have your support!  
**Time Commitment: short-term, one-time project; approximately 5-10 hours total**

**Graphic Artist (As-Needed Volunteer, or Board Member at Large)** Do you have experience as a graphic artist or enjoy designing graphics and images for all types of digital and print media? We'd love to have your support! We're looking for an individual to help design flyers, webpages and digital media.  
**Time Commitment: approximately 0-2 hours per week, depending upon time of year.**
